

Means of Life – Connection to Jesus

God gave us eternal life; this life is in His Son.

*“So, whoever has the Son has life;
whoever rejects the Son, rejects life.*

[1 John 5:11-12](#)

Imagine a solid gold table lamp. It has a cord at the end of which is a plug designed for connection to an energized receptacle. However, the expensive lamp is **UN**plugged. It can be seen and handled. But, from the perspective of purpose the gadget is **LIFE-LESS**! It merely exists. Everything changes when the cord is plugged in. Energized the lamp fulfills its purpose. The conclusion is simple: **connection** means **power for purpose** whereas **separation** signifies a **lifeless existence**.

“God gave us eternal [living at 100% satisfaction] life; this life is in His Son.” [\(1 John 5:11\)](#) Provided by the Maker, Jesus is the source of power uniquely generated for humankind. “I am the bread of life. Whoever comes to me will never become hungry...” [\(John 6:35\)](#) “God invented us as a man invents an engine. A car is made to run on gasoline. It would not run properly on anything else. God designed the human machine to run on Himself. He Himself is the fuel our spirits were designed to burn,” (Mere Christianity, p 50)

*“So, whoever has the Son has life...” [\(1 John 5:12\)](#) “Jesus said to the fishermen, ‘Come, follow **ME!**’ At once they left and went with Him.” [\(Matthew 4:19\)](#) “When we are called to follow*

Jesus, we are summoned to **an exclusive attachment to His person**" (Cost of Discipleship, p 49)

"Jesus came into the created universe, bringing with him **new life**. Everyone who gets **it** gets **it by personal contact with Him**" (C.S. Lewis in *Mere Christianity*). (Mere Christianity, p 221)

Getting connected to others via phone, computer, car, train, or plane is costly. **Attachment** to [your Maker](#) is **free of charge**! Just get connected to Jesus. **But wait! There's more.** You'll also receive [LGS](#) without charge! It's an offer you can't refuse!
