

Basics of Life: Learning for Action

“God authorized and commanded me to commission you: Go out and train everyone you meet, far and near, in this way of life. Then instruct them in the practice of all I have commanded you.
(Matthew 28:18-20)

LIFE IS FOUNDED ON BASICS!

			
<p>Customary Units of Length</p> <p>1 foot (ft) = 12 inches (in) 1 yard (yd) = 3 feet (ft) 1 yard (yd) = 36 inches(in) 1 mile (mi) = 5280 feet (ft)</p>		<p>Customary Units of Capacity</p> <p>1 pint (pt) = 2 cups (c) 1 quart (qt) = 2 pints (pt) 1 quart (qt) = 4 cups (c) 1 gallon (gal) = 4 quarts (qt) 1 gallon (gal) = 8 pints (pt) 1 gallon (gal) = 16 cups (c)</p>	

These **BASICS** are absolutely indispensable for living. They enable us to investigate, analyze, communicate, create, and measure. However, they are impersonal! Are there **BASICS** for living as person-beings?

I came that they may have and enjoy life, and have it in abundance [to the full, till it overflows]. (John 10:10)
 Obviously, we don't have the **LIFE** God intended; otherwise, the Father would not have sent Jesus on such a costly trip!

(John 3:34)

Better than anybody, an inventor of a working object is able to explain how it works. Similarly, Jesus knows how **LIFE** works because he is its source. *The Word was the source of life, and this life brought light to people.* (John 1:4) Jesus' life was a "show and tell" as regards the building blocks of **LIFE**. Basics of Life explores these fundamentals so that one is enabled to *sink [one's] roots in him and build on him.* (Colossians 2:7)

The disciples were trained *in this way of life* via "hands-on" experience; or, as John Wimber said, the disciples followed Jesus "doin' the stuff!" Of this dynamism, Martin

Luther said: "This faith is a living, busy, active, powerful thing! It is impossible that it should

not be ceaselessly doing that which is good." Hence, learning the Basics of Life is purposeful: Go, train and instruct everyone in the practice of all I have commanded you.
