

# MEASURE OF LIFE – Chorus of Success

*“God looked at everything he had made. And he saw that everything was very good.”* <sup>[1]</sup>

**SUCCESS** is the realization of design!

About the *“flowers of the field”* Jesus observed: *“They never primp or shop, but have you ever seen **color and design** quite like it?”*[2] For a few minutes focus *“the eyes of your heart*[3]” on this collage of *color and design*! Let their beauty soak into your mind and heart! These flowers, each expressing a unique design, are a vivid demonstration of success!

Now turn your attention to this portion of Psalm 148!

Praise God from earth, you sea dragons;  
Fire and hail, snow and ice;  
Apple orchards and cedar forests;  
Wild beasts and herds of cattle, Snakes, and birds in flight;  
All of Father’s creation, Praise the Lord!

Rather strange words, wouldn’t you agree – *apple orchards* and *birds in flight* praising God? Neither has the capacity to think or speak! Perhaps this is nothing more than poetic license; that is, *“the freedom to depart from the facts of a matter or from the conventional rules of language when speaking or writing in order to create an effect.”*

I think NOT! Please concentrate on the collage again. In **being**

a flawless expression of what the Creator uniquely **designed**, each flower is a part of a grand **CHORUS OF SUCCESS**, rendering to the Creator the most profound praise that can be offered!
