

# Warranty

For years I have shopped at a national tool store that promises a 90 day unrestricted warranty on every product. They've always delivered on their promise!

The Bible contains a warranty that includes over **3000 promises** (check out the Mechanics of Life). I want to examine the first and most important promise in the Manual (cf. Genesis 3).

You've probably seen a TV commercial that ends with the line: *"But wait! There's MORE!"* That's the hook *"the ancient Serpent, the one called Devil and Satan"* used on Eve. The fruit of the forbidden tree held the **MORE!** *"When the Woman realized **what she would get out of it**, she ate the fruit and then gave some to her husband. At that moment they suddenly felt shame at their nakedness."*[1] Immediately **Life** was **damaged** causing **dis-ease** and **death**. What would the Manufacturer do?

With compassion Father entered the Garden with a warranty. He promised to free His kids from the shackles of Satan. *"God spoke to Satan. 'I'm declaring war between you and the Woman, between your offspring and hers. He'll wound your **head**, you'll wound His **heel**.'" The Old Testament is a prelude to the Big Battle: *"But when the right time came, God sent His Son, who was **born of a woman** so that He could buy freedom for the slaves of Satan."* *"At the Cross Jesus was **wounded** for our rebellious acts ..."*[2] At the Cross the Serpent's head was **crushed**: *"The battle was won over Satan and his minions through Christ."**

So, *"If God didn't hesitate to put everything on the line for us, embracing our condition and exposing Himself to the worst by sending His own Son, is there anything else He wouldn't gladly and freely do for us?"*[3] That's an **UNCONDITIONAL WARRANTY!**
